The End
for Saraswathi Theatre
One more iconic single screen theatre fades away

Mysuru, Nov. 5 (MTY&BS)- Three years after Saraswathi Theatre on Kantharaj Urs Road stopped screening in September 2021, the theatre is being demolished, hitting the last nail on the only single screen theatre in that part of the city.

For the past one month, the works on dismantling the structure is underway, with the workers along with an earth-moving vehicle, razing the structure from the rear side, with the interior of the demolished parts visible from the road.

With this, the theatre that entertained cine-lovers, mostly Kannada, followed by other languages, for over four decades, is joining the list of theatres like Shanthala on Narayana Shastry Road and Lakshmi on Chamaraja Double Road, that were reduced to ground recently.

Lure of Multiplexes

It is no more a secret that for single screen theatres to sustain amid the challenges posed by swanky multiplexes in the last one decade, it had become extremely difficult.

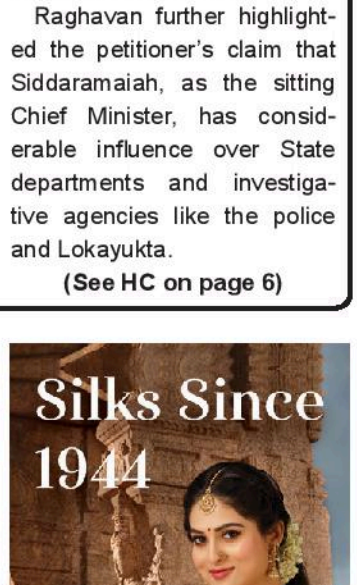
Petition seeking CBI probe into MUDA scam

HC asks Lokayukta
about details of probe against CM
Case posted to Nov. 26



Bengaluru / Mysuru, Nov. 5 (BLU&BCT)- The Karnataka High Court this morning directed the Mysuru Lokayukta Police to submit a progress report on their ongoing investigation into the Mysuru Urban Development Authority's (MUDA) allocation of 14 sites in Vijayanagar to Chief Minister Siddaramaiah's wife, B.M. Parvathi, as compensation for her 3.16-acre land in Kesare.

The directive came during a hearing on a petition by social activist Snehamayi Krishna, who is seeking a Central Bureau of Investigation (CBI) probe into the case. Krishna filed the petition on Sept. 27.

Justice M. Nagaprasanna ordered the Lokayukta Police to present their findings by Nov. 26, the date of the next hearing.

The Court has specifically asked the Lokayukta to submit the investigation progress achieved till Nov. 24.

The Court also issued notices to Chief Minister Siddaramaiah, other co-accused (CM's wife Parvathi, brother-in-law B.M. Mallikarjunaswamy and land owner J. Devaraju) and both the Union and State Governments, requiring their responses to the petition's call for a CBI investigation.

In his submission, Snehamayi Krishna expressed concern that the **Lokayukta, being a State-controlled body,** might be unable to conduct an unbiased investigation given the case involves the CM.

Senior Advocate K.G. Raghavan, representing Krishna, argued that the probe should be handled in a manner that fosters public confidence, voicing scepticism about the Lokayukta's ability to ensure impartiality.

Raghavan further highlighted the petitioner's claim that Siddaramaiah, as the sitting Chief Minister, has considerable influence over State departments and investigative agencies like the police and Lokayukta.

Lokayukta probe into MUDA 50:50 site scam

CM Siddaramaiah summoned for questioning tomorrow

Siddaramaiah

Mysuru, Nov. 5 (BLU&BCT)- Chief Minister Siddaramaiah has been summoned by the Lokayukta Police in Mysuru for questioning tomorrow (Nov. 6) regarding alleged irregularities in the allocation of 14 compensatory sites by the Mysuru Urban Development Authority (MUDA) to his wife, B.M. Parvathi.

Lokayukta Superintendent of Police (SP) T.J. Udesh issued the notice, directing Siddaramaiah to appear at the Lokayukta Office on Dewan's Road in Mysuru. Confirming the development to reporters in Haveri yesterday, Siddaramaiah said, "Yes, the Mysuru Lokayukta has issued a notice regarding MUDA. I will go to Mysuru Lokayukta office on Nov. 6."

Siddaramaiah is named as Accused No. 1 in the FIR filed by Lokayukta Police, which cites alleged irregularities in MUDA's allotment of compensatory sites to his wife Parvathi under the controversial 50:50 scheme.

Parvathi, named as Accused No. 2, was allocated land by MUDA following a transfer of 3 acres and 16 guntas at Kesare on the outskirts of Mysuru, originally gifted to her by her brother, B.M. Mallikarjunaswamy. Mallikarjunaswamy, who donated the land and J. Devaraju, who had previously sold the land to him, have already been questioned by Lokayukta Police.

The Lokayukta Police have also questioned Parvathi in the case. The contentious 50:50 scheme allows MUDA to allocate 50 percent of developed land back to land-owners in exchange for undeveloped land acquired for residential layouts.

EDITOR'S BOTTOMLINE

SKEWED GROWTH AND DEEPENING DISPARITIES: ***Digital illiteracy and limited internet access have exacerbated existing socio-economic inequalities, leaving large sections of the population behind in the digital economy. Government programmes like BharatNet aimed to provide rural connectivity have fallen short, further isolating disadvantaged communities from education, healthcare and employment opportunities that are increasingly shifting online.***

Limited access to clean energy is another concern. Despite government efforts through schemes like the Pradhan Mantri Ujjwala Yojana (PMUY) to provide free LPG connections to poor households, many rural families still rely on traditional fuels.

India's rising inequality is rooted in inadequate public healthcare, education, nutrition and digital infrastructure investments. The growing power of billionaires and their close association with the government have further tilted the economic balance, favouring the capitalists. Wealth concentration and the inability to secure high levels of domestic investment have undermined inclusive economic growth, as reflected in the worsening living conditions of people experiencing poverty. The solution to inequality in India lies in greater public investment in healthcare, education and infrastructure, especially in rural areas. Strengthening public healthcare, ensuring universal access to quality education and closing the digital divide are essential to achieving social equality. Addressing these challenges requires restructuring policy priorities to ensure that the benefits of globalisation and economic growth reach the elites and the poorest sections of society. An unbiased approach toward the rich and poor will ensure that government support is directed where needed, helping build a more inclusive and equitable India.

Mall attempts ghostly world record

Dorchester: A shopping mall at Dorchester in England, is trying to break a spooky world record by gathering at least 1,025 people in ghost costumes.

The event is the second attempt to break the Guinness World Record for the largest gathering of people dressed as ghosts at Brewery Square, after last year's event only managed to gather 204 participants amid heavy rains.

The record attempt will be followed by live music and dancing.

The current record of 1,024 people was set in Japan in August 2023. The record before that was 560 people and was set by Mercy School Mounthawk in Tralee, England, in 2017.

'Disturbing' hand sculpture given farewell

Wellington: A controversial sculpture of a giant hand with a human face is being removed from atop a gallery in Wellington, New Zealand, after overlooking the city for five years.

Quasi, a sculpture by Ronnie van Hout, was originally commissioned by the Christchurch Art Gallery in 2016 and was moved to the top of City Gallery Wellington in 2019.

The 16.4-foot-tall sculpture, based on van Hout's own hand and face, proved immediately controversial with some Wellington residents and was branded "disturbing" on social media.

Wellington Sculpture Trust Chair Jane Black said in a news release that the sculpture will be missed. Quasi is scheduled to be removed Saturday and will travel to Australia, but a new venue for the sculpture has yet to be announced.

VOICE OF THE READER

Close this Railway Gate
at Apollo Circle, Nanjangud

Sir,

The wheeled traffic between Mysuru and Nanjangud on NH 766 is consistently heavy. About a kilometre before Nanjangud, the road splits: The main route continues to Gundlupet, while a left deviation leads to Chamarajanagar.

Vehicles heading to Chamarajanagar inevitably encounter a Railway crossing near Apollo Circle, in front of BDO Office.

To alleviate congestion at this Railway crossing, a flyover was recently constructed over the Sujathapuram Railway Station, allowing Chamarajanagar-bound vehicles to bypass the crossing for a smoother journey.

This new flyover was expected to result in the permanent closure of the Railway Gate, facilitating uninterrupted train movement. However, for reasons unknown, the Railway Gate remains open and traffic disruptions persist as drivers continue to use shortcut routes.

The situation worsens on Fridays during the weekly fairs, where large gatherings of vegetable vendors and cattle traders cause significant traffic congestion, with vehicles queued up along the stretch.

Without a traffic signal or Police presence at this location, there is an urgent need to close this Railway Gate permanently to ensure smooth traffic flow. Through this column, I appeal to the authorities concerned to take immediate action to close the Railway Gate at Apollo Circle once and for all.

Commemorating 1924 Congress Meet in Belagavi

Barack Obama invited for joint Assembly Session

Obama

Bengaluru, Nov. 5 (Agencies)- The Karnataka Government has extended an invitation to former US President Barack Obama to attend a special joint Assembly Session commemorating the centenary of the historic 1924 Congress session chaired by Mahatma Gandhi in Belagavi. This event marked the launch of the Indian freedom movement against British rule.

Speaking in Gadag yesterday, Minister for Law and Parliamentary Affairs H.K. Patil announced that Chief Minister Siddaramaiah has already sent a formal invitation to Obama to participate in the event.

"A joint Assembly Session will be held to celebrate the 100th anniversary of Mahatma Gandhi's leadership at the All-India Congress Committee (AICC) meeting. This commemorative session will take place at the Suvarna Vidhana Soudha in Belagavi," stated Minister Patil, who also chairs the Committee for the Centenary Celebration.

"We await confirmation from Barack Obama before finalising the date of the joint session. We invited him as a prominent leader and admirer of Gandhiji, who has acknowledged Mahatma Gandhi as a global figure, not merely an Indian icon," Patil added.

"This will be a meaningful event. During his time in Karnataka, Mahatma Gandhi visited 120 locations. We plan to build memorials at 40 selected sites. 'Rath Yatra Jyothis' will also arrive in Belagavi on Dec. 26 and 27, coming from various districts across the State," he said

Additionally, the government is planning conventions focusing on youth, women and community unity. Patil explained that the 1924 AICC meeting was the 39th chaired by Mahatma Gandhi before Independence, where he issued a call to action that galvanised the freedom movement against British rule.

This centenary celebration of the landmark AICC session holds deep significance for Karnataka, particularly in Belagavi, where the historic meeting took place.

The session also holds special meaning for Gadag district, as it was at this event that the celebrated Kannada poem *Udayavagali Namma Cheluva Kannadanaadu*, written by Huyilagola Narayana Rao, was first sung by Dr. Gangubai Hangal.

MLA hears grievances of residents during *padayatra*

Mysuru, Nov. 5 (MTY&DM)- Chamaraja MLA K. Harishgowda took out a *padayatra* this morning in MCC Ward 7 covering Karakushalanagar, Dr. Ambedkar Jnanaloka, B.M. Shri Nagar and adjacent areas.

Beginning his *padayatra* from Karakushalanagar, Harishgowda received a number of petitions from local residents that highlighted lack of civic amenities such as drinking water, a proper underground drainage (UGD) system and motorable roads.

Some residents pointed out that the congested Karakushalanagar has as many as 500 houses and a sizeable population, with a 6-acre area lying vacant in the locality. They sought construction of houses for them on this land as this would largely alleviate the housing problem.

Noting that the locality, which came into being 36 years ago, does not come under the MCC limits and is currently managed by Karnataka Handicrafts Development Corporation, residents wanted the MLA to bring the locality under the control of MCC so that they can have better amenities and facilities such as a proper UGD network, regular maintenance of existing UGDs, adequate supply of drinking water, sanitation etc.

Residents also brought to the notice of MLA that over 1,000 people have applied seeking sites in the 6-acre vacant plot in the locality and have been waiting for years for the Government to act on their application.

The residents said that the locality, including Dr. Ambedkar Jnanaloka, does not have any city bus facility and demanded that the KSRTC operate regular city buses, which is very vital for mobility of local residents, most of whom are daily wage earners and labourers.

After hearing the grievances and receiving petitions, MLA Harishgowda directed the concerned authorities to take necessary steps for addressing the problems raised by the residents.

Later speaking to presspersons, MLA Harishgowda said that the State Congress Government is committed for addressing the civic problems and other just demands of the residents of Karakushalanagar, Dr. Ambedkar Jnanaloka and B.M. Shri Nagar.

Stating that he would take up the demand of the residents for building houses in the 6-acre plot in Karakushalanagar, he said that all the applications will be scrutinised thoroughly. Also, he would earnestly look into the demand for bringing these localities under the jurisdiction of the MCC as soon as possible.

Noting that he has directed the KSRTC authorities to operate city buses to the locality with immediate effect, he said that he would try his best to solve the civic problems and for the betterment of infrastructure.

MCC Commissioner Ashaad-Ur-Rahman Shariff and officials of various other Government Departments were present.

MCC raids shop, seizes 275-kg banned single use plastic

Mysuru, Nov. 5 (SBD&BS)- Mysuru City Corporation (MCC) officials raided a shop in Santhepet yesterday and seized 275 kg plastic and imposed a fine of Rs. 10,000 on the shopkeeper.

MCC officials, who took note of a customer carrying single use plastic, collected the address of the shop in the guise of a customer. Acting on the clues, the officials raided Dhanwantri Tradings and following inspection of the premises, they found plastic cups, carry bags, spoon among several other single use plastic articles, totalling 275 kg. They levied a fine of Rs. 10,000 on the shopkeeper and warned him of taking a stringent action if he continues to sell banned plastic articles. The raid was led by Environment Engineer Mythri and the team included Health Inspector Manjukumar, Krishna and Dhananjay Gowda, along with Abhaya personnel.

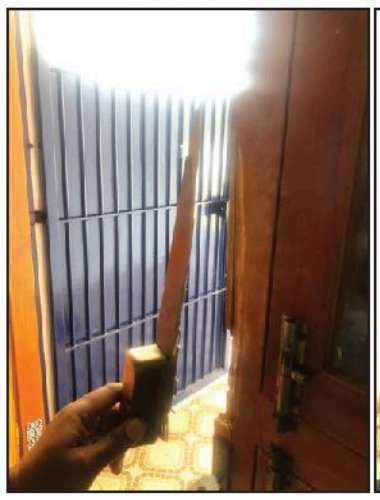
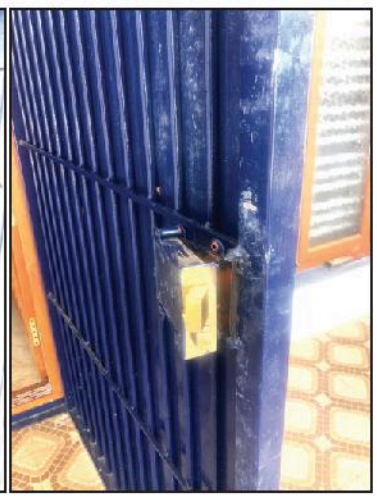
Serial house burglaries in city

Valuables worth lakhs and cash stolen





Mysuru, Nov. 5 (SBD&KS)- Serial house burglaries have taken place at various Police Station limits in city on Oct. 31, when the family members had gone out of station to celebrate Deepavali festival.

In the first case, burglars, who broke into the house of one Paramesh at Preethi Layout in Bogadi, have decamped with gold jewellery worth Rs. 3.50 lakh, silver articles worth Rs. 90,000 and Rs. 10,000 cash.

As Paramesh's wife, son and daughter-in-law had gone to Andhra Pradesh, Paramesh had locked his house on Oct. 31 and had gone to his native place to celebrate the festival.

When he returned the next day, he found the front door of the house forcibly opened and when he entered the house, the burglary came to light. A case has been registered at Saraswathipuram Police Station.

In the second case, M. Yashwanth, a resident of Vijayanagar 4th Stage, had locked his house on Oct. 31 and had gone to Bengaluru.

The next day, his neighbour called him over the phone and informed him that the front door of his house was open. Shocked on hearing it, Yashwanth immediately returned to his house and on inspecting the house, he found Rs. 1.30 lakh cash and silver articles worth Rs. 10,000 stolen. He has lodged a complaint at Vijayanagar Police Station.

It is said that five to six house burglaries have taken place on Oct. 31 night at Belavadi, Vijayanagar, T.K. Layout and other areas. CCTV cameras installed in a few houses have captured masked burglars holding weapons and committing burglaries.

Despite serial burglaries taking place on the same night, the Police seem to have not taken any steps to create awareness among the public. As there is no systematic patrolling by the Police, burglars are committing thefts without fear, residents alleged.

Meanwhile, Senior Advocate S. Arunkumar has urged the Police to take necessary steps immediately and instil confidence among the public.

Only two cases registered

DCP (Crime and Traffic) S. Jahnavi said that two cases have been registered pertaining to house burglaries on Oct. 31 night. But no complaints have been received regarding burglaries in five to six houses.

Steps have been taken to prevent house burglaries. Many cases have been solved and the accused have been arrested, she said and added that if other house burglary victims lodge complaints, action will be taken.

Senior citizen goes missing

Thimmegowda

Srirangapatna, Nov. 5 (PM&KS)- A 78-year-old man, who left his house on Oct. 31 at about 10 am, has since gone missing.

The missing man is Thimmegowda, a resident of Chandagalu village in the taluk. Thimmegowda does not have the right hand little finger and has a mole on his right cheek, according to the complaint lodged by his son Ravikumar on Nov. 3 at Srirangapatna Rural Police Station.

Those having any information about Thimmegowda may contact Mob: 97396-23282.

Private firm employee allegedly gang-raped at city hotel

Police nab two youths within 24 hours of registering case

Mysuru, Nov. 5 (BLU&KS)- A girl, alleging that two youths had gang-raped her on the pretext of partying at a city hotel on Saturday night, has lodged a complaint with Vijayanagar Police on Sunday evening. The incident is said to have taken place at a hotel on the Outer Ring Road coming under Vijayanagar Police limits and the Police, who had registered a case, arrested two youths on Monday evening.

The accused have been identified as Shreyas of Hootagalli and Shashank of Sakleshpur. Both the accused and the victim are graduates and the girl, a native of Channapatna, is said to be working at a private company in city and residing in a Paying Guest (PG) accommodation.

As soon as the case was registered on Sunday evening, City Police Commissioner Seema Latkar, who took the case seriously, formed five Police teams led by DCP (Law and Order) M. Muthuraju comprising Vijayanagar Sub-Division ACP Gajendraprasad, Vijayanagar Inspector Suresh and Sub-Inspector Vishwanath, Hebbal Inspector Mallesh, Metagalli Sub-Inspector Shabareesh and Saraswathipuram Sub-Inspector Mahendra. The Police teams were successful in arresting the accused within 24 hours of registering the case.

Details: On Saturday afternoon, the girl (victim) came across Shreyas at a pub and soon friendship blossomed between them. Shreyas then invited the girl for a party in the evening for which the girl is said to have given her consent for it. Shreyas then booked a room at a hotel on the Outer Ring Road from the pub itself and took the girl to the hotel room where Shashank, said to be a relative of Shreyas, was already present in the room.

The duo (Shreyas and Shashank) sexually assaulted the girl and had reportedly made videos of the same which they had sent to two of their friends, the complaint stated. Shocked over this, the girl, who came back to the PG, took rest and on Sunday evening, lodged a complaint against Shreyas and Shashank at Vijayanagar Police Station. Soon, 5 Police teams were formed to nab the accused and they were successful in arresting the 2 accused yesterday evening.

An Atlantic Odyssey...

Mysuru, Nov. 5 (VNS)- Imagine travelling 3,000 miles rowing across the Atlantic Ocean for over 60 days to raise funds for a noble cause. Not many would come forward. But, Ananya Prasad, an Economics graduate from Sheffield University, is just about to embark on a voyage next month to raise funds for the London-based Mental Health Foundation and Deenabhandu Trust in Chamarajanagar. She has named her campaign as 'Atlantic Odyssey.'

The Atlantic Row, considered to be the World's Toughest Row, is held every year in the month of December, where rowers from across the globe participate in teams or alone to row across the Atlantic Ocean from San Sebastian village in La Gomera located in Canary Islands (Spain) till Nelson Dockyard in Antigua (Caribbean Islands). Ananya will be rowing solo in her journey.

Speaking to *Star of Mysore*, Ananya said, *"I have been associated with adventure sports since my childhood but rowing is something that I have picked for the past three years. I enjoy challenging myself which is why I chose rowing. It is important to understand the navigation system, using radio, fixing the boats while on water and most importantly to be mentally tough to overcome fear."*

Ananya will be using 'Odysseus', her 25ft ocean rowing boat built to withstand tough marine environments. The boat is completely neutral and self-sufficient, fixed with solar panels for all electronic needs.

It also has a water desalinator which helps convert ocean water into drinking water.

Ananya will have to face 30ft waves, sleep deprivation, isolation and the forces of the ocean for approximately 60 days.

This endeavour of Ananya to row across the Atlantic is being supported by Mysuru's Cycle Pure Agarbathi.

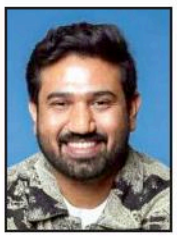
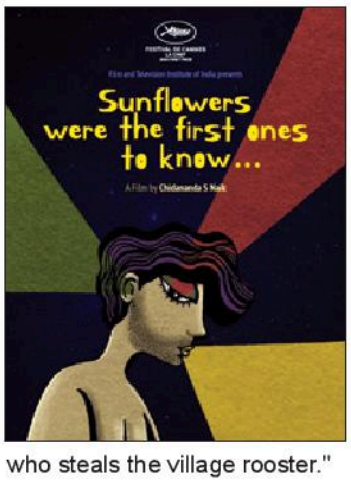
'Sunflowers Were the First Ones to Know' qualifies for Oscars



Chidananda

New Delhi, Nov. 5 (Agencies)- *'Sunflowers Were the First Ones to Know'*, a short film directed by Film and Television Institute of India (FTII) student Dr. Chidananda S. Naik, from Mysuru, has qualified for Oscars 2025 in the Live Action Short Film category.

The note on FTII's official Instagram page can be read: "*Sunflowers Were the First Ones to Know*, an FTII student film, officially qualifies for the 2025 Oscars in the Live Action Short Film Category! The film's poignant and profound narrative is centered on an elderly woman who steals the village rooster."



"Produced as part of final year exercise, film has won several Awards this year including La Cinef - Cannes 2024. The qualification comes after it won at Bengaluru International Short Film Festival. Congratulations to entire student team Mr. Chidanand Naik (Direction), Suraj Thakur (Camera), V. Manoj (Editing) and Abhishek Kadam (Sound)," reads the post.

The film won the first prize of La Cinef for Best Short at Cannes 2024. It is a 16-minute short film, that revolves around the story of a village thrown into chaos by an elderly woman who steals a rooster. To bring the rooster back, a prophecy is invoked, sending the old lady's family into exile.

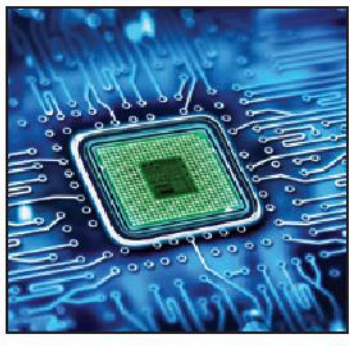
Dr. Chidananda is an alumnus of MMC&RI, Mysuru. After completing MBBS, he joined Pune-based FTII. He is the son of Prof. Shekar Naik, HoD of Food Sciences and Nutrition, Yuvaraja's College and Vinoda Bai, residents of Kuvempunagar in city.

Semiconductor chip unit to come up at Kadakola

Mysuru, Nov. 5 (GA&BCT)- In a significant development, a semiconductor chip manufacturing unit will soon be established at Kadakola, Mysuru.

This announcement was made by Ashok, the CEO of the Hassan Mega Food Park, at a press conference at the Pathrakartara Bhavan yesterday.

Ashok revealed that Mysuru had initially missed out on the semiconductor project. However, after negotiations with a Japan-based company, an agreement has been reached to bring the facility to Kadakola. "This project will be formally sealed at the Global Investors Meet, scheduled for Feb. 12 and 13 in Bengaluru," he confirmed.



The unit, once operational, is expected to position Mysuru on the map for high-tech semiconductor production, enhancing the region's industrial profile and bringing valuable investments.

The entry of a major semiconductor player is anticipated to generate numerous job opportunities and contribute to the city's economic growth, marking a step forward in advanced manufacturing capabilities.

Shelter for florists on Valmiki Road

Mysuru, Nov. 5 (MTY&BS)- The flower decorators (florists) on Valmiki Road in Vinayakanagar (Paduvarahalli) can henceforth conduct business with ease, with Mysuru City Corporation (MCC) building a shelter for them.

Following instructions of Chamaraja MLA K. Harishgowda, the shelter with zinc sheet covering the total area of 130 feet in length and 10 feet wide, provides a cover for the petty shops of flower decorators, was erected by MCC using the special funds of Rs. 13 lakh, benefiting a total of 13 florists.

While the florists had themselves spent on fabricating the petty shops in metal in the size of 10x10 feet, spending Rs. 40,000 each and installed in a row on concrete surface on the footpath, they were in a dire need of a shelter to avoid the damage caused to flowers by sun and rain. They had submitted a memorandum to MLA Harishgowda for building the shelter.

The flower decorators have been running business in the city for the last 30 years. Initially, they had set up make-shift shops near Field Marshal Cariappa Circle (Hotel Metropole Circle) and were running the business for six years, before they were evicted by MCC and accommodated on Valmiki Road opposite Maharani's Commerce and Management College for Women, where they stayed for 17 years, till they were moved further ahead on the same stretch of the road six years ago.

When contacted, MLA Harishgowda told *Star of Mysore*, following the election, the flower decorators had met him with a demand, bringing to notice the difficulties they are experiencing to keep the flowers afresh.

The flowers were getting spoiled due to seepage of rain water and exposure to sun. Following this, MCC officials were instructed to take steps to redress their grievances, within six months.

Now that the shelter has been built, it will be inaugurated within a week, the MLA added.

HDK, son Nikhil booked for 'threatening' IPS Officer

Bengaluru, Nov. 5 (Agencies)- A case has been registered against Union Minister H.D. Kumaraswamy (HDK), his son Nikhil Kumaraswamy and their aide Suresh Babu for allegedly threatening a senior IPS Officer who is investigating a mining case against Kumaraswamy.

The FIR, registered yesterday, follows a complaint by Inspector General of Police M. Chandrashekar, who claims Kumaraswamy made threats and false accusations to hinder the officer's duties.

The Police have charged the accused under Section 224 of the Bharatiya Nyaya Sanhita (BNS) for threatening a public servant. While the initial complaint was lodged in October, the FIR was officially registered yesterday after the 42nd Additional Chief Metropolitan Magistrate (ACMM) granted permission.

Chandrashekar, head of the Special Investigation Team (SIT) under the Karnataka Lokayukta, stated that he is leading a probe into a mining case in which Kumaraswamy is an accused.

Kumaraswamy *Nikhil*

The allegations against Kumaraswamy involve the illegal approval of a 550-acre mining lease to Sri Sai Venkateswara Minerals (SSVM) in Ballari district during his tenure as the CM from 2006 to 2008.

"The SIT found substantial evidence to prosecute Kumaraswamy and wrote to the Karnataka Governor on Nov. 21, 2023, seeking permission for prosecution," Chandrashekar noted in his complaint filed at the Sanjaynagar Police Station.

The complaint further alleges that on Sept. 28 and 29, Kumaraswamy held a press conference, made false allegations, and issued threats. "Kumaraswamy orally threatened that I would be transferred to another cadre from the Karnataka cadre," Chandrashekar alleged.

He added that bribery accusations were levelled against him and his family, along with claims that he falsified medical records to retain his Karnataka posting in the Indian Police Service (IPS). Nikhil allegedly made similar claims during a press conference on Sept. 29.

Suresh Babu, Kumaraswamy's aide, reportedly wrote a letter to the Karnataka Chief Secretary accusing Chandrashekar of misconduct, later making the letter public on social media as a form of intimidation.

After Kumaraswamy made allegations, Chandrashekar, in a letter to his team, had called Kumaraswamy an "accused who is on bail and is targeting me to demotivate my officers." He stated, "This accused, who is on bail, has acted to instil fear in SIT officers by targeting me. But no matter how powerful an accused may be, they remain an accused."

Chandrashekar concluded his statement with a quote from George Bernard Shaw: "Never wrestle with pigs. You both get dirty and the pig likes it."

Violations of khata registration laws

Action recommended against former MUDA Secretary

Mysuru, Nov. 5 (BLU&BCT)- Mysuru Urban Development Authority (MUDA) Commissioner A.N. Raghunandan has submitted a report to the State Government recommending disciplinary action against former MUDA Secretary G.D. Shekar over alleged violations of khata registration laws.

The allegations stem from a complaint filed on May 25 by M.R. Ashok Kumar, a resident of Nazarbad in Mysuru, with the Secretary of the Department of Urban Development.

In his complaint, Ashok Kumar accused Shekar of violating the Karnataka Urban Development Authorities Act, 1987, in matters concerning khata registration, khata transfer, inheritance (Pouthi) khata transfer and khata transfer through sale.

Following this, the Urban Development Department's Secretary issued an order on July 2, directing the Directorate of Urban Development and the Commissioner of Town and Country Planning to investigate and report on the matter.

Subsequently, on July 19, both authorities instructed MUDA Commissioner to submit a detailed report along with supporting documents, which he has now provided.

MUDA Commissioner Raghunandan has submitted the report to the Government, noting that former MUDA Secretary G.D. Shekar has already been relieved from his position.

In his communication to the Directorate of Urban Development and the and the Commissioner of Town and Country Planning, Raghunandan indicated that this report has been filed to support any further disciplinary actions deemed necessary.

CM summoned for questioning

(Continued from page 1)

Complainant Snehamayi Krishna has alleged that Parvathi had no legal title over the 3.16 acres in survey number 464 of Kesare village, Kasaba Hobli, Mysuru taluk. Amidst the controversy, Parvathi declared that she would return the allotted sites to MUDA and the process has been completed. The 14 sites are under MUDA's ownership now.

This Lokayukta notice to Siddaramaiah comes as the campaign for upcoming bypolls to three Assembly Constituencies in Karnataka gains momentum. Bypolls will be held on Nov. 13.

Speaking to *Star of Mysore*, Snehamayi Krishna highlighted that law mandates a CBI investigation if allegations are made against Chief Minister or if a scandal involving over Rs. 50 crore arises. Based on this, he filed a petition in the High Court seeking a CBI probe.

Justice Nagaprasanna, heading a Single-Judge Bench, has heard arguments from Advocate Raghavan while filing the petition. The Advocate also continued his arguments today. Krishna added that he has urged Lokayukta SP Udesh to consider specific points in the inquiry and conduct the investigation accordingly.

HC asks Lokayukta about details of probe against CM

(Continued from page 1)

"Given these circumstances, any probe by these agencies could lack impartiality," Snehamayi Krishna stated, pointing to statements by Siddaramaiah affirming his party high command's support and the support of his Ministerial colleagues in the matter — a stance widely covered in media reports.

Advocate Raghavan argued that institutional integrity is crucial when investigating constitutional functionaries, as upheld by the Supreme Court in several decisions. He stressed that an investigation into allegations against a sitting Chief Minister requires an agency that is both independent and publicly credible.

"The investigation must not only be fair but must also be perceived as fair to reinstate confidence in the people of Karnataka," Raghavan argued, underscoring the need for transparency and neutrality.

The End for Saraswathi Theatre

(Continued from page 1)

Apart from the change in the mindset of cine-lovers, who prefer to watch the movies with the comfort offered in multiplex, the film producers and distributors too insisted on releasing the new flicks in multiplexes. Gradually, the number of multiplexes rose in the city — DRC Cinemas at B.M. Habitat Mall in Jayalakshmipuram, Inox in Mall of Mysore on M.G. Road and Centro Mall near KSRTC Sub-urban Bus Stand, PVR Cinemas in Nexus Centre City Mall on Hyder Ali Road near Karnataka Police Academy (KPA) and Garuda Mall, opposite KSRTC City Bus Stand and Mysore Vision Cinemas in Bannimantap, attracting the cine buffs.

Revenue cut

The advent of cineplexes cut into the revenue of single screen theatres, with the owners struggling to meet the maintenance costs. They had no option than suspending the screening, bringing down the number of theatres from 18 to a handful of numbers in the last five years.

The furniture at now defunct Saraswathi theatre have been already dismantled and disposed of, along with windows and doors.

More profitable...

M.R. Rajaram, a prominent film exhibitor of the city told *Star of Mysore* that in reality, the film distributors and producers were earning more profit by screening the movies in theatres. But they were not paying the due amount to theatre exhibitors. In the case of multiplexes, the revenue generated from screening the movies is split among exhibitors and distributors in the ratio of 50:50 in the first week and 40:60 in the second week. But the ratio fixed for the single screen theatres is comparatively less, making it too difficult for the owners to meet the maintenance cost. Hence, the theatres are fading into oblivion.

Theatres, no more

Mysuru city earlier boasted of theatres like Shalimaar, Ratna, Ranjith, Opera, Shanthala, Olympia and Lakshmi and now it's the turn of Saraswathi.

More theatres may follow suit in the coming years in the city alone, with 160 single screen theatres already meeting the same fate across the State in a short span of two years.

Hurting tax slab

Moreover, unlike other districts, the tax slab applied in Mysuru district is exorbitant, which is attributed to lack of awareness among those in the realm. Ironically, Bengaluru the Capital City of the State generates more revenue, but the property tax imposed on single screen theatres is comparatively less while the property tax collected is double in Mysuru.

The same tax slab is proving impediment in building commercial complexes in the place of theatres, forcing some of them to look beyond Outer Ring Road (ORR) to execute their commercial ventures.

With the authorities still in a bind over converting Mysuru City Corporation into Bruhat Mysuru Mahanagara Palike (BMMP) on the lines of Bruhat Bengaluru Mahanagara Palike (BBMP), the existing tax slab is not only hurting businessmen, but also the common man, rued Rajaram.

Forest Watcher killed in wild elephant attack

H.D. Kote, Nov. 5 (KS)- A 22-year-old Forest Watcher was killed when a wild elephant attacked him at Gundre Forest Range in N. Begur Gram Panchayat limits yesterday evening.

Shashank

The deceased Watcher is Shashank, son of Chandru and a resident of Kalaiahanahalli village in the taluk.

Yesterday evening, Forest Watchers Shashank and Raju were patrolling near the Inspection Bungalow (IB) near Jagur in Gundre Forest Range, when a wild elephant suddenly attacked them.

When both Shashank and Raju were fleeing towards Kabini backwaters, the wild elephant, which chased them gored Shashank on his stomach and threw him into the backwaters. Shashank, who had sustained serious injuries, breathed his last on the spot while Raju jumped into the backwater and escaped.

Based on the information from Raju, Gundre Range Forest Officer (RFO) Amrutesh and staff, who arrived at the spot, fished out the body of Shashank from the backwaters and shifted it to H.D. Kote General Hospital.

MLA visits hospital: MLA Anil Chikkamadu, who visited the hospital, paid his respects to deceased Shashank and consoled his family members.

The MLA, said that deaths due to wild elephant attacks are being reported and instructed Forest officials to take steps to prevent such deaths in future.

Pointing out that works on installing rail barricades in forest borders have begun, the MLA said that it is unfortunate that Shashank, the Forest Watcher was killed in an elephant attack and added that Rs. 30 lakh compensation would be given to deceased Shashank's family by the State Government.

Stating that Rs. 5 lakh cheque has been given, he said that the remaining compensation amount will be given in the coming days and assured of getting a job in the Forest Department for Shashank's sister and benefits given by the Government. The MLA handed over Rs. 5 lakh compensation cheque to deceased Shashank's mother.

Post-mortem was conducted and the body was handed over to the family members. A case has been registered at Antharasanthe Police Station.

Assistant Conservator of Forests Satish N. Begur Range Forest Officer Manjunath Bagewadi, staff Mahesh, H.D. Kote General Hospital Administrative Officer Dr. Srinivas, Antharasanthe Sub-Inspector Chandrahasa, staff Gopal, N. Begur Gram Panchayat President Shailendra, Member Manju, Tribal leader Chikanna, Nataraju, Siddaraju, Prasanna Kadumane and others were present.

Experts delve into dental diseases, integrated approach

Mysuru, Nov. 5- "AYURDENTOCON -2024", a National Conference on 'Oro-Dental Diseases: An Integrated Approach' was jointly organised by the Department of Post Graduate Studies in Shalakya Tantra, JSS Ayurveda Medical College, Mysuru and JSS Dental College, Mysuru, in commemoration of 109th Jayanthi celebration of Dr. Sri Shivarathri Rajendra Swamiji at Sri Rajendra Centenary Auditorium, JSS Hospital, Mysuru, recently.

Dr. Sarbeswar Kar, Principal, JSS Ayurveda Medical College, Mysuru, explained about the objectives of the conference and the need for collaborative researches.

Oral hygiene

Chief guest Arvind Varchaswi, Managing Director, Sri Sri Tattva, Bengaluru, spoke about the importance of oral hygiene in the present era.

He also emphasised that the health of an individual is highly dependent on the food habits. Intake of fast food, unhygienic food and other adulterated foods, adversely affects the health of teeth, gums and oral cavity. Hence, it is necessary that one should adopt healthy food habits and follow regular brushing of the teeth and oral pulling/gargling with medicated oils or decoctions.

Dr. B. Manjunatha, Registrar, JSS Academy of Higher Education and Research (JSS AHER), Mysuru, emphasised the importance of different medical systems coming together in providing better healthcare for the humankind which will lead to a healthier and happier society.

He also opined that good oro-dental hygiene can prevent many of the prevailing diseases.

Dr. M.R. Dhakshaini, Principal, JSS Dental College, Mysuru, welcomed the gathering at the inaugural ceremony.

Dr. Gavimath Shivanand, Organising Secretary of AYURDENTOCON-2024, proposed the vote of thanks.

Scientific sessions of the conference began with the keynote address by Dr. M.R. Dhakshaini, who emphasised on the oral health and ayurveda opportunities and explained about the possibilities and challenges for collaborative researches.

Oral ulcers, gum diseases

First scientific session was by Dr. S. Suhas, Professor and HoD, Oral Medicine and Radiology, Sri Siddhartha Dental College, Tumakuru.

He spoke about ayurvedic approaches in oral care and shared his experiences from a decade of practice. He highlighted the interventions like herbal mouth rinses, oil pulling etc., in the management of oral ulcers and other gum diseases.

Ayurvedic products

The second scientific session was delivered by Dr. Rajesh Srinivasan, Director (Production), Sadvaidyasala Pvt. Ltd., Nanjangud.

He provided an overview about the ayurvedic products available in the management of oral health.

Various ayurvedic decoctions, tablets, medicated oils and other formularies that are used in oro-dental care were analysed and explained.

Ayurveda procedures

In the third scientific session, Dr. J. Vivek, Professor, Department of PG Studies in Shalya Tantra, Sri Sri College of Ayurvedic Science & Research (SSCASR), Bengaluru, explained in detail about various oro-dental cases managed by ayurveda procedures and medications.

He also shared his experiences in managing oral carcinoma cases. He demonstrated with videos, the technique of painless tooth extraction without anaesthesia, by the application of Jalandhara Bandha Yoga.

Oral health practices

Final scientific session was delivered by Dr. Sarbeswar Kar, who critically analysed and presented the evolution of oral health practices from past to present.

He conveyed about various therapeutic procedures and its benefits in Oral health care like Dantadhavana, Pratisarana, Kavala and Gandusha. The session also included practical demonstration and standardisation of ayurvedic therapeutic procedures.

140 delegates

Scientific papers and posters were presented by 140 delegates including Under Graduates, Post Graduates, Ph.D scholars and faculty of Ayurveda and Dental Colleges.

In the valedictory ceremony, chief guest Dr. C.P. Madhu, Medical Director (I/C), JSS Hospital, Mysuru, distributed awards to the best scientific presentations across various categories.

About 600 delegates participated in the National Conference from different districts of Karnataka, Kerala, Maharashtra and Gujarat.

'Early detection can cure breast cancer'

Mysuru, Nov. 5- SPARSH, Forum for Women Empowerment, Wellness Centre & Hygiene, SBRR Mahajana First Grade College, Jayalakshmipuram, Mysuru, in association with Inner Wheel Club of Mysore West had organised an awareness programme on breast cancer in the college premises recently.

Resource Person, Dr. Ramya Yethadka, Consultant Oncologist, Apollo BGS Hospitals, Mysuru said that, 26% to 28% of breast cancer cases are reported in the country and 90,000 to 1 lakh deaths among women are due to breast cancer every year. Breast cancer is diagnosed among women irrespective of age or gender.

The ratio of breast cancer in women and men is 100:1, that is, for every 100 women showing symptoms of breast cancer there is one man, said Dr. Ramya.

She emphasised that even during the time of lactation, breast cancer can be developed. A woman who has never given birth is prone to breast cancer and those who give birth after the age of 35 have high risk of getting breast cancer. It can be genetic too.

"Do not neglect the symptoms, because health is very important in anyone's life. Breast cancer develops in 4 stages and first 3 stages are usually painless. However, it is curable if detected at early stage. Early menarche and late menopause can increase the risk of breast cancer. It can be tested in two ways, self-examination and Mammogram. Women above 21 years of age should examine (self) their breast once in 2-3 months and women above 40 years of age should undergo mammogram every year," suggested Dr. Ramya.

She highlighted the importance of insurance policies and schemes that are available for the treatment of cancer.

Dr. Ramya concluded her talk by saying, "Let your faith be bigger than your fear so that we fight cancer together."

Dr. T. Vijayalakshmi Muralidhar, Hon. Secretary, Mahajana Education Society, Dr. B.R. Jayakumari, Principal, Dr. S.R. Ramesh, CEO & Academic Advisor, Dr. H. Sreedhara, Dean Academics, Shashikala Suresh, President, Inner Wheel Club of Mysore West, Bhavani Chandra, Secretary, Inner Wheel Club of Mysore West, Radhika Rani, Convener, SPARSH & Forum for Women Empowerment, Dr. S. Poornima, Convener, Wellness Centre & Hygiene, Teaching and Non-Teaching staff of the College were present.

WORD OF THE DAY

Amalgamate

Pronunciation: uh-MAL-guh-mayt (Verb)
Meaning: Amalgamate is a formal verb meaning "to unite (two or more things) into one thing."
Origin: Today, one can amalgamate—that is, combine into one — any two (or more) things, such as hip-hop and country music, for example. The origins of amalgamate, however, have more to do with heavy metal. Amalgamate comes from the Medieval Latin verb amalgamāre, meaning "to combine (a metal) with mercury." It's been part of English since the 1500s, its introduction closely trailing that of the noun amalgam (from the Medieval Latin amalgama), which in its oldest use means "a mixture of mercury and another metal." (In modern dentistry, amalgams combining liquid mercury with powders containing silver, tin, and other metals are often used for filling holes in teeth). Amalgamate can be used either technically, implying the creation of an alloy of mercury, or more generally for the formation of any compound or combined entity.
Example: "Place the cornmeal in a bowl, and sift in the flour, salt, baking powder and baking soda. Stir the mixture with a spoon or whisk to amalgamate." — Martha Rose Shulman, The New York Times, 13 Nov. 2023.

THE ODD WORD

Algophobia

Fear of pain.

PHRASE OF THE DAY

On The Ball

Meaning: The phrase 'On the ball' is used to say when someone understands the situation very well.
Origin: It's easy to see why this phrase originated from the sport. During a game, it's used to say that one should remain focused on the game.
Example: "Dana is totally on the ball since she started taking her vitamin supplements every day."

Sudoku is a number-placing puzzle based on a 9x9 grid with several given numbers. The object is to place the numbers 1 to 9 in the empty squares so that each row, each column and each 3x3 box contains the same number only once. The difficulty level of the Concept is Sudoku increases from Monday to Sunday.

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
